## Montana Post-Secondary Schools Conditional Attendance Form

Montana School Immunization Law (MCA 20-5-402 through 410)  
School Immunization Rules, Revised June 30, 2005 (ARM 37.114.701 through 37.114.721)

*This section to be filled out by post-secondary school official:*

Pupil's Name (print or type): \_\_\_\_\_

Date next dose is due: \_\_\_\_\_

**(See back of form for recommended procedure for tracking pupils with conditional attendance status.)**

Pupils who are born on or after January 1, 1957, who are attending a post-secondary school are required to have adequate documentation of 2 measles and 2 rubella vaccinations (as required by the Administrative Rules of Montana). Pupils may attend school conditionally if they meet the rubella immunity requirements and have received at least one dose of \*measles vaccine prior to school entry. \* Doses of measles vaccine given prior to 12 months of age or prior to 1968 are not accepted or counted as a measles vaccination.

Pupils may attend school conditionally if they receive a second dose of live measles and rubella vaccine, in the form of MMR (measles/mumps/rubella) vaccine, before the beginning of the succeeding school term and no earlier than one month after administration of the first dose of measles vaccine.

If the person who is attending school, conditionally fails to complete MMR immunization prior to registration s/he must either qualify for and claim an exemption from MMR immunization or be excluded immediately.

## **POST SECONDARY INSTRUCTIONS**

Recommended procedure for tracking post-secondary pupils with conditional attendance status:

1. A completed copy of this form should be provided to the pupil with the original kept by the post-secondary school.
2. The post-secondary school should keep this form with the pupil's permanent school record which is used to determine if the pupil is attending classes and receiving credit for classes at the school.
3. Once the pupil has received the required vaccine, s/he should bring adequate documentation to the school.
4. Immunizations are available through either private physicians or public clinics.
5. Questions regarding the use of this form should be directed to the local public health department or the Montana Immunization Program (444-5580).
